PROJECT DESCRIPTION - Briefly describe the project. What are the outcomes and goals? How will this project engage Indigenous peoples and communities?

PARTNERSHIPS - Who are your Indigenous collaborators and partners? How do you plan to engage your partners and the broader community? How will you maintain these partnerships and relationships beyond the project timeline?

EXPERTISE - Explain how your organization has the elements necessary to successfully complete the project. These can include organizational skills, track record, experience, matching funds and resources, other partners, and/or local government support. List all project volunteer and professional consultants and their disciplines.

RECONCILIATION - Briefly describe how your organization is advancing reconciliation (e.g. land acknowledgement, organizational statement, incorporation of Indigenous place names, MOU) and how this project furthers that work. If this information is on a website, please provide a link. Please provide all acknowledgements, statements and documents, either here or in the supporting documentation section below.

CALLS TO ACTION - Explain how your project addresses and supports the goals and vision of the *Truth and Reconciliation Commission's 94 Calls to Action* and *United Nations Declaration on the Rights of Indigenous Peoples* (UNDRIP). How will the project support the goals of reconciliation and further the reconciliation process?

SUPPORTING DOCUMENTATION - Please provide letter(s) of support from your Indigenous partner(s), and any other documentation relevant to your project (i.e. planning documents, designs, photographs, etc.). A formal letter is not required. Short emails can fulfill this requirement.

3. Scope: Eligible Work & Quotes

SPECIFY ELIGIBLE COSTS & QUOTES - Provide an itemized list of the eligible work including a description of tasks; who will be responsible for managing the work; and a minimum of one quote (excluding GST). Upload any additional documents used in the tendering process and selection of quotes for the work.

4. Project Budget

Complete the project budget indicating project expenditures and revenue. Project costs may include both hard costs (labour, equipment), as well as soft costs (administration or management). Total project revenue must equal total project costs.

EXPENDITURES

PROJECT COSTS - List each eligible work item/category and use the preferred quote, submitted previously in Section 4. If you are not using the lowest quote, specify the reasons for selecting the preferred quote. See the *Program Guidelines & Policies* for definitions and examples of eligible costs. GST is not an eligible cost. Specify any in-kind costs and refer to the *Program Guidelines & Policies* in-kind labour rates. In-kind costs must be matched by equal in-kind revenues.

REVENUE

SOURCES OF REVENUE - List any applicant contributions, including in-kind revenue which should be calculated according to the *Program Guidelines & Policies*. Remember that this program only funds 50% of the eligible project costs, up to a maximum of \$7,500. These maximums are listed in the *Program Guidelines & Policies*. Show other sources of revenue. Indicate which are secured and which are requested. Also indicate here the amount requested from the Heritage Legacy Fund as a requested source of revenue.
